

1 **Amendment to the Drawings**

2 **In the Drawings:**

3 The Examiner is requested to approve the proposed changes to the drawings as indicated in
4 red ink in the two enclosed drawing sheets. Changes have been proposed in FIGURES 2 and 14, to
5 revise the layout of a connecting line and reposition a reference number and its tag line. Revised
6 formal drawings that include these changes are submitted concurrently herewith under separate cover
7 addressed to the Official Draftsperson, on the expectation that these changes will be approved, since
8 the changes clearly do not add new matter.
